

Introducing!!!!

Pound Puppies N Kittens

PPnK's Slumber Party!!

Have you ever thought about how long a shelter dog or cat has been sitting in foster care waiting for their forever homes? Or maybe, what it would be like to own your 1st (or 2nd) dog or cat? Wouldn't it be nice to give a dog or cat a break from shelter life and in turn have a guest in your home to spoil rotten!? WELL..... HERE'S YOUR CHANCE!!

Take a PPnK animal home for the night, weekend or holiday!! All pets are spayed/neutered, vaccinated and will have their very own sleepover bag with all the supplies needed for the slumber party.
